

**FORMAT: High/Low Match Play / Five Nine Hole Matches**

*Each team will be flighted, from low to high, according to the combined USGA handicap indexes of both the member and his guest. Each flight will consist of six teams with each team playing a nine hole match against all others in the flight. Matches will be played as High/Low Match Play using 90% of each player's handicap, playing off the lowest handicap in the foursome. All handicaps will be calculated using the golfer's USGA handicap index and are slope adjusted.*

*At the conclusion of the five matches, the flight winner whom accumulated the most points will determine the overall "Fall Classic" champion.*

**SCORING THE MATCHES**

*The format will be match play for all rounds. Two points per hole are possible, 1 point for low ball, and 1 point for not having high ball. If either the low ball or high ball are tied, each team will receive 1/2 point for the tie (i.e., If your team has low ball and ties the high ball score, you will receive 1 1/2 points for the hole and your opponent will receive 1/2 point).*

*There will be 1 bonus point for winning a match and 1/2 point for each team in case of a tie. Each match must be played out. The total points awarded in each match will be 19.*

*If a team fails to show up for a match, the other team will receive 12 points for that match. A team must consist of two players.*

**TOURNAMENT AGENDA**

*The first round (Friday) will consist of three (3) nine hole matches. The second round (Saturday) will consist of two (2) nine hole matches.*

*All participants must have an established USGA handicap index. The Tournament Committee reserves the right to adjust handicaps.*

# 2021 FALL CLASSIC
